EDMONTON, ALBERTA

FRATERNITY HOUSING WILL TAKE ON NEW APPEARANCE

Fifteen months from now, members of the Delta Upsilon fraternity here at the University will pack up their beer mugs and trophies, close the broken windows and move out of their two striped houses at 11138 86 Avenue.

Has another tradition bitten the dust?

Not quite. By trading off a few lots they owned and dipping into their bank account, the members were able to put up 20 per cent of the total cost for their share of a new apartment building scheduled to be built one block east of the fraternity's present location. A group of city businessmen and lawyers, many of them alumni of Delta Kappa Epsilon fraternity, also have invested in the \$750,000 project. The basement and first three floors of the 11-storey structure will house the fraternity; the remaining floors will contain rental apartments.

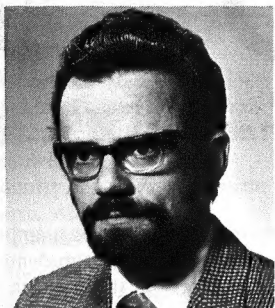

IAN MCDONELL, President of Delta Upsilon and Vice-President of the fraternity's Building Society, says the new quarters are to be completed by September of 1973. For the members, there will be 11 one-bedroom suites and 2 two-bedroom suites, all furnished with beds, desks, and chairs, as well as a lounge, dining room, and kitchen. There will be storage space in the basement, and a large party room with pool tables, a dancing area, bar, and a sauna room.

Delta Upsilon members who choose to live in the new apartments will pay \$115 per month for room and board. Non-fraternity members also will be accepted if there are any spare rooms on the lower floors. Mr. McDonell says, however, it is unlikely they will be unable to fill their suites with fraternity members. Delta Upsilon took in 16 new members during the past year, even though membership decreased in many of the fraternities on

campus. Their active membership totals 25, as well as 15 graduate students. Mr. McDonell also points out that reports from the fraternity's national secretary indicate a resurgence of interest in fraternities in both Canada and the United States. "Many people are of the opinion that fraternities are dying out, but just the reverse is true," he says. "The membership in some fraternities is decreasing, but the number of fraternities has increased. We may not make any money on this project, but we do expect to break even."

Forsaking the old in favor of the new, members of Delta Upsilon will move out of the run-down frame house (left) they now occupy and take over three floors of a new high-rise. The new quarters will be a far cry from Rutherford House (right), which the fraternity vacated when they sold it to the University.

Dr. Fisher

APPOINTMENT

DONALD GRANT FISHER, Professor of Chemical and Petroleum Engineering, has been named Chairman of that department. He will succeed F. D. OTTO, Acting Chairman, on July 1 of this year.

Dr. Fisher attended the University of Manitoba from 1951 to 1953 before graduating from the University of Saskatchewan with a Bachelor of Engineering degree and, in 1957, a Master of Science degree. He spent four years with Union Carbide of Canada Limited, then enrolled at the University of Michigan where he completed his doctorate in 1965. He was appointed to staff here in 1964 and became a full professor in 1970.

His memberships include the Chemical Institute of Canada, the Canadian Society for Chemical Engineering, the Alberta Professional Engineers Association and the American Institute of Chemical Engineering.

Dr. Fisher is presently on sabbatical leave at the Control Systems Centre at the University of Manchester Institute of Science and Technology, England.

BOARD OF GOVERNORS

By FOLIO Staff

The University Board of Governors and its Executive Committee met Friday, June 9, 1972.

DEPARTMENTAL CHANGES APPROVED

Board members gave final approval to two recommendations initiated by the Engineering Faculty Council and forwarded from the May 29 meeting of General Faculties Council, regarding the restructuring of two departments in the Faculty of Engineering. Approximately one year from now, the Department of Mining and Metallurgy will become the Department of Mineral Engineering, granting undergraduate degrees in Metallurgical Engineering and Mineral Engineering, with provision for descriptive subdivisions in Mining and Petroleum. The Department of Chemical and Petroleum Engineering will become the Department of Chemical Engineering.

UNIVERSITY HEALTH SERVICE

In the spring of this year, the Board approved a recommendation that a fee be imposed on students for coverage by the University (formerly Student) Health Service. Under the proposal, coverage would have been optional. If too many students had opted out of the program, however, and it had not been feasible to continue the service, the service would have been abolished.

Following lengthy debate initiated by graduate and undergraduate student representatives at this month's meeting, a majority of the Board members voted to rescind the previous agreement and replace it with the following resolution:

"THAT the Board approve in principle the recommendation that all costs incurred by the University Health Service beyond those reimbursed by the Alberta Health Care Insurance Commission and the Alberta Hospital Services Commission be charged to students on a 'break-even' basis by means of a fee; and that students be given the opportunity to opt out of the supplementary services provided by the University Health Service if they so desire up until the date at which the first instalment of fees is due."

BOOKS

T. S. LEESON, Professor and Chairman of Anatomy, and his brother, C. R. LEESON of the University of Missouri, have had published by the W. B. Saunders Company, a gross anatomy text entitled *Human Structure. A Companion to Anatomical Studies*. This is complementary to the textbook of histology, now in its second edition, and which will be later joined by an accompanying filmstrip.

VISITORS

Professor Sir MARTIN ROTH, the first president of the newly formed Royal College of Psychiatrists in the United Kingdom, visited the Department of Psychiatry last week.

PEOPLE

■ R. D. MC MASTER, Professor of English, was elected President of the Association of Canadian University Teachers of English at the annual meeting in the Conference of Learned Societies, held in Montreal in May. R. G. MOYLES, Assistant Professor of English, will serve as Secretary-Treasurer.

■ VIOLET ARCHER, Professor of Music, presented a composition workshop jointly with LUIGI ZANANELLI of The University of Calgary, under the sponsorship of the 1972 Provincial Festival in Calgary, Alberta. On May 28, Professor Archer's "Suite for Four Violins" was given its world premiere by JOHN LOWRY, STEPHEN JUNKIND, TARAS CHORNOWOL, and ROY TUTSCHEK, all students of RANALD SHEAN of Edmonton. The program was sponsored by the Alberta Registered Music Teachers' Association and took place at Alberta College.

■ R. G. MOTUT, Professor of Romance Languages, has been awarded the "Prix Champlain." This literary award is given by the Conseil de la Vie Française en Amérique, to a North American author writing in French and living outside Quebec. The \$500 prize was granted for Dr. Motut's research entitled "La fortune littéraire de Maurice Constantin-Weyer" a French author who lived and homesteaded in Western Canada, and later wrote about the West. Constantin-Weyer was awarded the Goncourt Prize in France in 1928 for *Un homme se penche sur son passé*.

■ M. A. NAY, Associate Professor of Secondary Education, spoke to science consultants, supervisors, and teachers in Ottawa recently, and also addressed science program consultants of the Ontario Ministry of Education in Toronto.

■ MARY SABATINI, Assistant Professor of Romance Languages, gave a paper to the first annual meeting of the Canadian Society for Italian Studies at the Learned Societies Conference in Montreal.

■ HENRY H. MAMET, Director of Radio and Television, has been elected President of the Edmonton Audio Visual Association. Mr. Mamet is also Chairman of the Board of the Educational Television and Radio Association of Canada (ETRAC) and Vice-Chairman of the Metropolitan Edmonton Educational Television Association (MEETA).

■ M. PATRICIA BROWNE, Assistant Professor of Elementary Education, was a keynote speaker at a pre-convention institute sponsored

by the International Reading Association in conjunction with the Annual Convention held in Detroit, Michigan.

■ I. J. SHIELDS, Assistant Professor of Industrial and Vocational Education, is resigning as of June 30 to assume responsibilities in the school systems of Samoa for a three-year term.

■ A. G. PERRONI, Associate Professor of Business Administration and Commerce, has received a further grant from the Canada Council towards his research project entitled "14th Century Florence: a Study of the Interface Between the Economy and the Polity."

■ JOHN ILTIS, Associate Professor of Music, has been named by the magazine *The School Musician Director and Teacher* one of the 10 most outstanding educational music directors in the United States and Canada for the current school year.

■ The following members of the Department of Linguistics presented papers at the meeting of the Canadian Linguistics Association in Montreal: C. I. J. M. STUART, ZINNY BOND, ANN CRAWFORD, BRUCE L. DERWING, JOHN T. HOGAN, LOIS MARCKWORTH, GARY D. PRIDEAUX, ANTON J. ROZSYPAL, and graduate students JOHN GRAY, J. RAYMOND REID, and PAUL FLETCHER.

■ M. W. JACKSON, PhD candidate and Canada Council Doctoral Fellow in Political Science, presented a paper at the 44th Annual Meeting of the Canadian Political Science Association in Montreal.

■ Staff of the Centre for Advanced Study of Theoretical Psychology will be holding a seminar-in-the-round at the meeting of Cheiron, the International Society for the History of the Behavioral and Social Sciences, to be held in Calgary at the end of June. J. R. ROYCE, Director of the Centre, will chair the meeting. Other participants will be: W. W. ROZEBOOM, T. WECKOWICZ, and K. V. WILSON, all of the Centre, R. YOUNG of Cambridge University, and M. WERTHEIMER of the University of Colorado.

NOTICES

UNIVERSITY COLLECTIONS COMMITTEE

The Nominating Committee of General Faculties Council is considering nominations for the University Collections Committee which was struck by Council at its meeting on May 29, 1972.

The committee will be responsible for investigating the problems concerning the care, preservation, restoration, and display of the University's collections of works of art, historical artifacts, and other items and to formulate policy for the administration of the collections for the approval of General Faculties Council.

Those interested in serving on this committee or who wish to suggest nominations, should telephone Miss P. HOWLETT at 432-4965.

CEREMONIES FOR MICHENER PARK PHASE 2

The Honourable RON BASFORD, Minister of State for Urban Affairs, will be guest of honor at ceremonies to mark the commencement of construction of Michener Park Phase 2, under the auspices of the Central Mortgage and Housing Corporation and the Board of Governors, on Friday, June 16. The ceremonies will begin at 11 a.m. at the site, which is located east of 122 Street on 48 Avenue. Parking will be available on 48 Avenue.

VOLUNTEERS FOR YOGA CLASSES

A research study has been planned to determine the physiological effects of yoga exercises. Classes will be held four times a week, at 7 a.m. and 7 p.m., Monday, Tuesday, Wednesday, and Thursday, and will be of 40 minutes duration. The lessons are so planned that beginners will find it easy to learn the different exercises. Men and women who wish to participate in this study and receive free instruction should call M. SINGH of the Faculty of Physical Education at 432-3612, or H. V. DHANARAJ at 439-7897. Because of the 7 a.m. classes, it is perhaps preferable that participants should live close to the campus.

FILM PREVIEWS

The Educational Media Division of the Department of Extension is interested in receiving evaluations of the forthcoming "Quality of Life" series of television programs. The series is scheduled at 9:30 p.m. Thursday evenings beginning June 15 on CFRN-TV.

The series is also available as 16mm films and such comments will guide the Department when considering its purchases. Evaluations of specific programs should be sent to: The Supervisor, Educational Media Division, Department of Extension, Corbett Hall.

TELEVISION PROGRAM ON GEOLOGY TO BE SHOWN

"Beneath These Hills," a special program about the geology of the Purcell Mountains and the Sullivan Mine, will be presented on Channel 11 on Thursday, June 29 at 7:30 p.m. The program represents several years of research by RONALD BURWASH, Professor of Geology, and has been produced with the co-operation of Cominco Ltd., owners of the Sullivan Mine. The video tape is also available for closed circuit use on campus.

GARNEAU TENNIS CLUB

The Garneau Tennis Club is still accepting applications for membership for the 1972 tennis season. Facilities include six shale courts, and clubhouse and changing rooms. Membership dues are: *senior* \$30, *married couple* \$45, *family* \$50. For further information call DAVE CASS (432-5520), KATHY MOORE (433-1973), or FRANK KLASSEN (433-0934).
